

CROSS COUNTRY INVITATIONAL RESULTS

VOL: XLI No 9

for invitationals through 10/15/16

THE RATINGS:: This is the fifth set of **CCIR RANKINGS** for the 2016 Season. This Saturday is the last week of the regular season. This week sees the least number of invitationals since the opening weeks in August. Many teams have their conference meet/final jamboree last week or this week. Many teams will take this week off to get ready for the most important meet of the season, the regional meet. I say the regional meet is the most important meet of the season because teams/runners must qualify for the State Finals at the regional meet. A bad day & it is all over.

Divine Child girls was missing their top 3 runners at the CHSL Jamboree #3. Milford/b only ran 2 of their runners from the Oakland County meet at River Rat.

We listed some conference jamborees in this issue & hope to have more next issue.

Rankings are based on invitational results only! Ask meet managers to get us the results. We need to have results by Monday in order to make that week's issue. We have had good support from meet managers getting us the results. If you do not see a meet listed here please send us the results.

Teams are awarded points according to how they finish in the invitationals they run in, 10 points for first, 9 for second and so on. Some invitationals are weighted because of the large field and there is a minimum number of teams required in order for a team to earn rating points. The numbers in parentheses indicates the first place coach's votes/first place(s) in invitational meets. The final number is the total number of points for the school, including coach's votes and invitational points. The invitational points are cumulative over the entire season, to a maximum of eight, with only one being counted each week. If a school has more than the maximum number for that week of the season, they will only receive the invitational points for the maximum allowed for that week. Total number of invitational wins will be indicated in the parenthesis. Coaches vote each week.

We distribute the rankings each week. If your local paper would like to receive them, send us a name & email and we will include them on our list. The rankings are distributed each Tuesday evening. We are late in the evening this week.
