RESULTS

Bob Busquaert from Hansons Race Management will be doing results. Final results will be emailed to all coaches the evening following the meet.

COURSE

This is a new course at Riverbends. The first and third miles of the course are the same and wrap around the parking lot, which will be spectator and coach-friendly. The mile markers are easily accessible and close to the starting line. The middle mile is a trail section. The first section of the trail is rather narrow, and the second section of trail is wider with one downhill and one uphill. See link to course map: <http://www.gmap-pedometer.com/?r=6446386>
