Old Skool Classic Cross Country Race

Presented by: Armada, Romeo & Warren Mott

Saturday,
September 26th, 2015 at
Wolcott Farm

Directions: Wolcott Farm is located in Ray Township on Wolcott Road north of 29-mile Road between North Avenue and Romeo Plank

Course: Mostly Flat, Non-repeating, Stream Crossings, Hay Bale Barriers - Those not wishing to jump the bales may go around the bales. This will add length and create tight turns slowing down runners who use it.

Awards

10 medals per grade-level per division per race for a total of 80 medals (40 small Div./40 large Div.) per gender awarded throughout the day.

- Trophies to the top 3 teams in each division.
- Medals to top-10 (6th - 8th grade boys and girls). Medals will be handed out in the chute.
- Medals to top-10 open race participants per gender handed out in chute.

Parking

Parking in the fields north of the park, and in main lot. We will also be opening a new lot just south of the farm off of Wolcott road. There will be shuttles provided to avoid pedestrians on the road. Buses will park by the pole barn just north of the main lot.
Cars coming from the south park in the circle lot and from the north use the pole barn lot. There will be a parking fee this year imposed by the Metro Parks to help funding, and to encourage carpooling. Cost will be $5 for vehicles not having a metro park sticker. Buses can enter free of charge.

Varsity Format

Large School and Small School Divisions race together and are separated for scoring at end of races

- All Freshmen race together
- All Sophomores race together
- All Juniors race together
- All Seniors race together

Best five places overall in races are added to make up your team's score. Best possible score is 6 points – Example: 1st freshman, 1st sophomore, 1st junior, 1st senior, 2nd any grade.
All runners from their grade will run together. There will not be a separate JV race.

Time Schedule

6:55 a.m.—meet at Dakota if you need a ride to the race, otherwise be at the Course at your specified time.

****

8:00 a.m. – 9th Grade runners should arrive at the Course
